

CHAIN LUBE SPRAY

Chain lubricant

GLOBAL RACING OIL CHAIN LUBE is a lubricant specially formulated for all kind of motorcycle chains with or without rivets. Provides truly outstanding protection in all operating conditions. Its peculiar additivity ensures a film strength superior by far to any conventional chain lubricants.

CHAIN LUBE is based on special polymers, providing superior film strength and wear protection properties. Its designed to effectively lubricate without attracting dirt and dust.

- ❖ Excellent penetration and adhesion, resists "throw-off".
- ❖ Protection against corrosion and aggressive environments
- ❖ Resistant to water wash off
- ❖ Formulated not to harm rubber sealing rings

PACKAGE: 200 ml / 500 ml

VISCOSITY AT 100 °C: 65 cSt

VISCOSITY AT 40 °C: 320 cSt

VISCOSITY INDEX (mín.): 131

POUR POINT: -4 °C

OXYDATION TEST ASTM D-685: pass

DENSITY AT 20 °C: 0,88 gr/cm³

COLOUR: Dark amber

REV.07/20
